

# IMPORTANT POLICY CHANGES

Please be advised that The Syracuse Federal Credit Union will treat checks as “local checks” effective immediately. This will benefit members as there will no longer be a designation of a “non-local check” which created a longer processing time. Same Day Availability of Funds, longer delays due to certain circumstances, rules for new accounts and all other policies will remain the same as disclosed in our Check Clearing and Funds Availability Policy. The Check Clearing and Funds Availability Policy in effect is enclosed in this packet of information.
