TRUTH-IN-SAVINGS ACCOUNT DISCLOSURES

- 1. Rate Information.** The dividend rate and annual percentage yield may change every dividend period. The dividend rate for your account is declared by the credit union Board of Directors. The Money Market and the MoneyMax Account are tiered rate accounts. Once a particular balance range is met, the dividend rate and annual percentage yield for that average daily balance range will apply to the full balance of your account.
- 2. Nature of Dividends.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.
- 3. Dividend Compounding and Crediting.** The dividend period is monthly. Dividends will be compounded and posted to your account every month.
- 4. Average daily balance computation method.** Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the monthly statement cycle.
- 5. Accrual of Dividends.** For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.
- 6. Balance Information.** You must complete payment of one share (\$5.00/par value) in your Primary Savings account as a condition of admission to membership and to maintain membership. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. *(Note: If a Summit savings account has been inactive for more than one year and has less than a \$100 balance, the funds will be transferred to the member's Primary Savings account. If a Summit Automatic Loan Payment Share account has been inactive for more than one year, the entire balance of the Automatic Loan Payment Share account will be transferred to the member's Primary Savings account. If a Summit Money Market or MoneyMax Account has been inactive for more than one year and has less than a \$1,500 balance, the funds will be transferred to the member's Primary Savings account. This transfer is not contingent on the status of any other services the member may have with The Summit or the age of the member.)*
- 7. Transaction Limitations.** We reserve the right at any time to require not less than seven days notice in writing before each withdrawal from an interest-bearing account other than a time deposit, or from any other savings account as defined by Regulation D.
- 8. Account Limitations.** The maximum automated teller machine withdrawal using the ATM Card is \$300 per day. The maximum automated teller machine deposit using either the ATM Card or the Visa® Debit Card is \$15,000 per day. The maximum branch teller cash withdrawal is \$3,000 per day.
- 9. RoundUp Savings Account.** Please refer to the RoundUp Savings Account Terms and Conditions at <https://www.summitfcu.org/roundup-terms>.
- 10. Courtesy Pay.** The Credit Union may choose to cover certain withdrawal requests (except on transactions that are ATM or one-time Visa® Debit Card Transactions) from your checking accounts in excess of the available balance in your account. If you are eligible and you opt-in, you may participate in the Courtesy Pay Select Program providing overdraft protection for ATM and one-time Visa Debit Card transactions. Courtesy Pay & Courtesy Pay Select is only available to those members whose accounts are in good standing, the primary member on the account is 18 years of age or older. We can terminate this service at any time in our sole discretion. Any overdraft resulting from a Courtesy Pay or Courtesy Pay Select transaction must be repaid within 10 days after the date of the transaction. Refer to the Membership and Account Agreement for further details.
- 11. Digital Spend Account Requirements.** In order to open and maintain a *Digital Edge Spend Account* at The Summit the following is required: The primary account holder must be less than 27 years of age, enrolled in E-statement (electronic) delivery, enrolled in Mobile or Online Banking Services, and must perform a minimum of ten (10) Debit Card transactions that post each month on the Digital Edge Spend Account. If these requirements are not maintained while the primary account holder is less than 27 years of age, the account will automatically convert to an Enhanced Checking account after 90 days. When the primary account holder turns 27 years of age, the account will automatically convert to a Digital Freedom Spend Account. In order to open and maintain a *Digital Freedom Spend Account* at The Summit the following is required: The primary account holder must be 27 years of age or older, enrolled in E-statement (electronic) delivery, enrolled in Mobile or Online Banking Services, and must perform a minimum of ten (10) Debit Card transactions that post each month on the Digital Freedom Spend Account. If these requirements are not maintained, the account will automatically convert to an Enhanced Checking account after 90 days.

¹Benefit Level:

On the last business day of the month we will determine your Combined Balance. Your Combined Balance will set your Benefits for the following month.

²Combined Balance:

Your Combined Balance for each account is the sum of:

- the average daily balance for the month in your savings and checking accounts;
- all loan and certificate account balances as of the last business day of the month;
- your VISA® credit card balance on the day prior to the last day of the month;
- and your mortgage balance on the day prior to the last day of the month.

Digital Edge Spend Account Privileges:

Members with a Digital Edge Checking Account will be exempt from the following fees:

- Account Maintenance Fee
- Share-to-Share Overdraft Transfer Fee
- Courtesy Pay Fees and Courtesy Pay Select Fees if the available balance at the time the transaction is authorized is less than negative \$25 (-\$25).
- First box of personal checks upon account opening

To be eligible for the fee exemptions above, a member with a Digital Edge Checking Account must be less than 27 years of age, enrolled in Electronic Statements, enrolled in Mobile or Online Banking, and must have an Active Debit Card (defined as performing a minimum of ten (10) Debit Card transactions that post and settle each month on the Digital Edge account). Members that no longer qualify for the Digital Edge Checking will be converted to the Enhanced Checking account (if under 27) or the Digital Freedom Checking account (when turning 27) and no longer qualify for these fee exemptions.
